- March Event: Music Night/Coffee House
- Jon to contact Tony Toledo (unless Steve has already) about availability and cost for storytelling, and John Rockwell about music
- Julie reported that Musical Marilyn (clown) is unavailable, and in addition she recommends we don't use a clown, as it may scare the ages we are targeting
- Julie research a local magician (cost and availability)
- The afternoon will look something like this:
  - 2:00 PM some Sunday in March
  - Coffee and hot cocoa only

#### **Bring A Friend Sunday**

- Steve drafted text for an Invitation Card
- Jon will try to format it with a small picture of the church on the text side, and leave it blank on the other, so that it can be mailed.

#### **New Members Packets**

- Jon reviewed and revised existing packet
- We discussed the "how to request and become a member of this church" page - it may be best to have this page for reference copies only; members that are receiving the packet after signing the book have already gone through the steps to become a member
- We are to review Jon's draft of the packet more closely and send him comments
- Julie to contact Paula to get updated copy of the visitors log

**8:20 Chalice extinguished**
